DELIVERING YOUR VISION

Australia's largest natural stone selection with fabrications and installations for all of your projects

Image from our overseas factory block yard

Because we're using the latest manufacturing technology, our stone is quarried and processed to exact specifications which enables us to supply superior product lines.

From our vendor's quarries located in Italy, Greece, Portugal, Spain, Turkey, Brazil, the Middle East and China, we provide a rich variety of product that comes in a wide assortment of brilliantly infused colours and specialised surface finishes such as polished, honed, brushed, bush-hammered, rustic tumbled etc. Additionally, for large-scale projects, we offer a dry lay option.

We place the utmost importance on consistent excellence and quality control in all steps of production.

Our goal is always to assure customer satisfaction in variety, colours, finishes, and quality.

At BC Stone, our commitment to quality is exemplified through meticulous inspections using the dry lay process for individually chosen tiles, guaranteeing excellence for our clients. Our comprehensive services encompass project consultancy, site visits, and an open invitation to explore our factory and showroom. We boast an extensive range, providing samples for surfaces and variations while offering precise project estimates. With mass shipping capabilities and innovative dry laying options, BC Stone ensures tailored solutions for your projects.

We offer dry laying for larger scale projects. This allows you to see how the tiles will look together, and identify any potential issues before they're permanently laid.
